Assignment date	The date on which this form is signed by the Contributor.
Content	The conference paper submitted as part of the present submission process, titled: Digitalization of maritime traffic rules for online behaviour compliance assessment.
The Contributor	The lead author whose name appears at the end of the present form. The Contributor confirms that they are authorised by all co-authors to sign this Agreement and to assign rights on behalf of all authors.
The Conference	The conference at which the Contributor proposes to present the Content, titled: 1st International Conference of Maritime Transportation and Innovation (ICMTI) and the 4th International Conference on Transport and Supply Chain Resilience and Digital Transformation (TSCRDT).
The Publisher	Publisher (legal entity): Liverpool John Moores University (LJMU), Liverpool, United Kingdom. Journal hosting/publishing platform: LJMU Open Journals Service (LJMU Library, Open Journal Systems).
Rights	By signing this copyright, the contributors transfer the copyrights to the conference. The conference holds the rights: (1) Publish the conference paper via the publisher; (2) Revise, develop, modify the paper; (3) Publish the conference paper in other channels with other publisher(s).

By signing this Agreement:

(1) The authors guarantee that this paper is an original work and does not involve any confidentiality issues. In the event of infringement or disclosure of confidential information, all responsibility shall be borne by the authors.

(2) The authors guarantee that this paper has not been submitted to multiple publishers simultaneously. If the conference discovers duplicate submission, it has the right to recover any losses caused to the editorial office by the authors.

(3) The authors guarantee that there are no disputes regarding authorship of the paper. In the event of any authorship dispute, all responsibility shall be borne by the authors.

(4) All authors shall not grant permission to any third party to use the paper in any form. However, the authors themselves may cite (or translate) parts of the paper in their subsequent works or include it in publications authored by themselves.

(5) The authors guarantee that the article is written by the authors and that its content (in whole or in part) is not generated by artificial intelligence.

(6) Any matters not covered herein shall be resolved through negotiation between both parties. If negotiation fails, they shall be handled in accordance with relevant laws and regulations.

(7) It is confirmed that all authors have agreed to the transfer of rights specified in this confirmation letter, and one author is designated as the representative to sign on behalf of all authors.

By signing this Agreement, you agree to be bound by its terms.
